

Pre-Registration Now Open for Club Med's 2019 Sun and Ski Seasons

13 December | Sydney, Australia: Club Med is pleased to announce that pre-registration is now open for its 2019 snow and summer seasons, offering amazing travel deals of up to 30 per cent* on the brand's infamous premium all-inclusive packages.

Pre-registering will give New Zealand agents and travellers the first chance to book Club Med's Early Bird Offer from 31 January – the guaranteed** best price Club Med will offer all year on its premium all-inclusive holiday packages, for departures between November 2018 – April 2019. Booking early will secure the resort and date of your clients' choice before it sells out including peak times, your clients preferred room type, and a spot at the Kids Club for little ones. The early bird offer is limited and the discount will reduce as the resort fills, so it's important to get those bookings in as soon as you can!

In addition, those who register will receive exclusive access to Club Med's 'Unlimited Offer', only available between 31 January and 2 February, 2018. For three days, Club Med won't change the offer or restrict what can be booked, meaning your guests can book any resort, any time with any room type and upgrades without restriction – and the offer price will never change!

Pre-registration will be available from now until 31 January 2018 for both Club Med ski and sun resorts.

Over the past three years, Club Med has seen significant annual growth in New Zealanders travelling during the Asian and European ski season – the New Zealand Summer holiday period. In fact, Club Med received over a thousand pre-registrations this time last year, almost 80 per cent of which were for Club Med ski resorts across Europe and Asia.

Not surprisingly, Christmas and New Years Eve are the dates that book out first, followed by January and Easter – all the more reason to get in quick so your clients don't miss out! When it comes to resorts, Japan proved most popular last year, with Kiwis choosing to book at Club Med Tomamu (30 per cent of total sales) or Club Med Sahoro (25 per cent of total sale), in Hokkaido. For sun-seekers, Club Med Kani in the Maldives was the number one choice (+85 per cent from the previous year) and is expected to continue to be a preferred destination for both couples and families thanks to the exclusive Manta space for couples and the upcoming introduction of a new Kids Club and world-class diving facilities at the resort.

With the opening of two NEW ski resorts this month – Club Med Tomamu, Japan and Club Med Grand Massif Samoens, France – Club Med is anticipating that the 2019 opening will be the most popular season to-date, and encourages travel agents to pre-register interested clients, as to take full advantage of these amazing deals and to ensure a speedy and seamless booking process from enquiry to confirmation.

Why pre-register your clients for Club Med's November 2018 – April 2019 sales?

- Gain access to Club Med's Early Bird Offer and ensure you have your clients quote as soon as sales open on 31 January 2018.
- Automatically receive the best deal Club Med will offer on bookings for the year, as well as best room choice, selection of dates, best price in peak dates, more resort choices and secured places in the extremely popular Kids Club.

- Have the ability to register for the offer on a specific resort and automatically receive the best offer for that resort.
- Gain access to Club Med's exclusive 'Unlimited Offer' from 31 January – 2 February 2018.
